Petitioners have always been concerned for the child's safety, but the mother stated for several years that Abigail was not their granddaughter. However, last year a paternity test was conducted indicating Luis Tarin, petitioners' son, is Abigail's father. After this occurred, Abigail began living with her father. The problem is the father cannot seem to keep his life straight. In 2013 when petitioners initially applied for guardianship the father was incarcerated for parole violation. In November, the father was released and came to pick up the child. Petitioners let the child go with the father as it seemed that the father was making an effort to work on his issues. Last month, the father was arrested again for domestic violence. He is currently incarcerated and petitioners do not know when he will be released. The child is back in the petitioners' care. Petitioners are requesting temporary and general guardianship to ensure that they will not have to hand the child over to either parent.

NEEDS/PROBLEMS/COMMENTS:**1. Need clarification regarding additional independent powers requested.**

Pursuant to Local Rule Local Rule 7.15.2, it is the policy of the Court to grant a conservator only those independent powers necessary to administer the estate and a request for all powers described will not be granted by the Court.

Petitioner continues to request independent powers under Probate Code §§ 2590 and other sections (see Attachments 1d, 1l); however, Petitioner does not describe specific powers requested or provide any information regarding the necessity of such powers.

Note: Petitioner also requests all powers under Probate Code §2351 (Attachment 1l)); however, all powers are *included* in general conservatorship, and this section allows powers to be *limited* if appropriate.

2. As previously noted: Need estimate of annual income for bond purposes.

Note: Current bond filed is \$11,000.00, based on personal property estimate only. However, according to the Court Investigator's report, income sources include a 20% share of income from her late husband's estate as well as her Social Security and a VA pension (amount not specified). Pursuant to Cal. Rules of Court 7.204, the Conservatee has a duty to request increased bond immediately upon facts making such increase necessary. See also Probate Code §2320 and Cal. Rules of Court 7.207.

3. As previously noted: The Court Investigator's report indicates that Mrs. Baker will be receiving a VA pension annuity. Therefore, need proof of service of Notice of Hearing with a copy of the petition at least 15 days prior to the hearing on the Office of the Veterans Administration per Probate Code §1822(d).

Note: Notice of Hearing indicates service on the "US Dept. of Veterans Affairs" on Palm Avenue in Fresno as well as the VA Hospital on Clinton Avenue in Fresno. However, these are not the proper contacts for notice. Need service on the office of the Veterans Administration having jurisdiction over the area in which the Court is located. (There is no "US Dept. of Veterans Affairs" on Palm Ave. in Fresno. There is a regional office in Oakland, and a regional hub in Salt Lake City. Petitioner is encouraged to contact the VA to confirm the correct address for service of this type of notice.
